**Global Moment of Remembrance**

Since the earliest days of the fight against AIDS, we as a community have understood the importance of taking time to remember and recognize the loss of our loved ones. This Sunday, at the start of the opening session of the 20<sup>th</sup> International AIDS Conference (AIDS 2014) in Melbourne, Australia, we will honor those who died on Malaysian Airlines flight MH17 through a special tribute delivered by their friends and colleagues.

The International AIDS Society invites you to join us wherever you are in this global moment of remembrance. Please take time to pause from your day and gather with colleagues and loved ones. Share this message with those in your community and share your remembrances on the [AIDS 2014 Facebook Page](#).
